

Needful Hands

Jars of Clay

For those under the clouds
Staring up in awesome wonder
As tears come slowly down
I'm reaching up a needful hand

And You are my eyes when I cannot see
You are my voice, see, sing through me
You are my strength in weakness be

To find that I could fall
And still Your grace surrounds, pursuing
I freely stumble down
I feel Your hands around my heart

You are my eyes when I cannot see
You are my voice, see, sing through me
You are my strength in weakness be
Holy

You are my eyes when I cannot see
You are my voice, see, sing through me
You are my strength in weakness be
Holy

You are my eyes when I cannot see
You are my voice, see, sing through me
You are my strength in weakness be
Holy

You are my strength, my voice, my eyes
I lift up needful hands
You are my strength, my voice, my eyes
I lift up needful hands
You are my strength, my voice, my eyes
I lift up needful hands
I lift up needful hands

(You are my eyes) You are my eyes when I cannot see
(You are my voice) You are my voice, see, sing through me
(You are my strength) You are my strength in weakness be
Holy
