

Show You Love

Jars of Clay

Speak- say the words that no one else will ever say
Love- love like the world we know is over in a day

I'm gonna show you a love in every language
I'm gonna speak with the words that need no form
I'm gonna give you what you never had before

You're beautiful and I am weakened by the force of your eyes
So shine bright to separate the truth from the lies
I'm gonna show you love

I'm gonna show you a love in every language
I'm gonna speak with the words that need no form
I'm gonna give you what you never had before

So tie me to a tree and let the smoke and ash collect
No, I won't regret to let love do what love will let
We can drown in mixed emotions or walk across an angry sea
This is the cost of being free
