## Halo

Remember those walls I built? Well, baby they're tumbling down And they didn't even put up a fight They didn't even make a sound I found a way to let you in But, I never really had a doubt Standing in the light of your halo I got my angel now

It's like I've been awakened Every rule I had you breakin' It's the risk that I'm taking I ain't never gonna shut you out!

Everywhere I'm looking now I'm surrounded by your embrace Baby, I can see your halo You know you're my saving grace You're everything I need and more It's written all over your face Baby, I can feel your halo Pray it won't fade away

Hit me like a ray of sun Burning through my darkest night You're the only one that I want Think I'm addicted to your light I swore I'd never fall again But this don't even feel like falling Gravity can't forget to pull me back to the ground again

It's like I've been awakened Every rule I had you breakin' It's the risk that I'm taking I'm never gonna shut you out!

Everywhere I'm looking now I'm surrounded by your embrace Baby, I can see your halo You know you're my saving grace You're everything I need and more It's written all over your face Baby, I can see your halo I pray it won't fade away

I can see your halo [x8]
