

# Can't Hold Back

Trias, Jasmine

When I see  
When I feel your body, baby  
When your touch is the only thing I long for  
I get so ohhh  
When you call  
When you give me your attention  
I forgot to mention all the ways you make your woman smile

Now I may be naive  
But it feels right to me  
I'm not looking for love  
But it sneaks up on me  
And I promised myself  
That I wouldn't give in  
But you gave me everything that I need

And I know that I can't hold back  
No I won't step back  
It's the way I react  
To your touch when you're holding me  
Taking control of me

Everytime, everytime that you're near me  
I get something deep down inside of me  
It makes me feel sooooo  
Baby everytime, every place that you take me  
And everytime that you make me get the feeling again  
And again and again and again and again and again oh

Now I may be naive  
But it feels right to me  
I'm not looking for love  
But it sneaks up on me  
And I promised myself  
That I wouldn't give in  
But you gave me everything that I need

And I know that I can't hold back  
No I won't step back  
It's the way I react  
To your touch when you're holding me  
Taking control of me, oh

Oh, oh, oh  
Over and over I tried to find  
Reasons for leaving your loving behind  
I'm trying my best  
No denying the facts  
That I can't and I won't  
No I can't  
I can't hold back

I can't hold back  
No I won't step back  
It's the way I react  
Yeah  
I can't hold back

No I won't step back  
It's the way I react  
To your loving baby
