

# Everlasting Love

Trias, Jasmine

(Come on everybody)

Hearts gone astray, leaving hurt when they go,  
I went away, just when you, you need me so.

Open up your eyes, then you'll realize,  
Here I stand with my, everlasting love,  
Like the sun it shines, endlessly it shines,  
You'll always will be mine, it's eternal love,  
From the very start, open up your heart,  
Be a lasting part of everlasting love...

Filled with regret I come back, beggin' you,  
Forgive forget where's the love we once knew...

When arc river flow, no one really knows,  
Till someones there to show, the way to last in love,  
Like the sun it shines, endlessly it shines,  
You always will be mine, it's eternal love,  
When nothing ever dawns, ours will still be strong,  
We always have our own,  
Everlasting love...  
Everlasting love...
