

# All Out of Beer

Jason Aldean

If you'd a got here 'fore my buzz kicked in  
I'd a told you where to go, I'd a never let you in  
Crashed out on the couch waitin' on that sun to come up  
I'd probably still be hating on you  
Saying I'm just glad it's over, actin' like that was the truth  
I'd still have my walls, girl, I wouldn't care at all

So why you gotta wait until I'm gone to come around  
When I ain't got no fight left I got no way out  
When I'm 12 in, helpless  
The only time you show up here is when you're lonely  
And I'm all out of beer

I wish that you'd go find somebody new  
And I wish I had it in me, to just have one or two  
I wish I could draw a line, stick to it just one time  
But I'm drunk tonight, so never mind

So why you gotta wait until I'm gone to come around  
When I ain't got no fight left I got no way out  
When I'm 12 in, helpless  
The only time you show up here is when you're lonely  
And I'm all out of beer

You got me where you want me girl, no I can't stand it  
Looks like tonight's gonna go just the way you planned it

So why you gotta wait until I'm gone to come around  
When I ain't got no fight left I got no way out  
When I'm 12 in, helpless  
The only time you show up here  
Is when I'm 12 in, helpless  
Girl you know I'm gonna give in  
When you're lonely  
And I'm all out of beer  
When you're lonely  
And I'm all out of beer
