

# Big Green Tractor

Jason Aldean

She had a shiny little Beemer with the rag top down  
Sittin' in the drive but she wouldn't get out  
The dogs were all barkin' and waggin' around  
And I just laughed and said y'all get in

She had on a new dress and she curled her hair  
She was looking too good not to go somewhere  
Said "what you want to do, baby, I don't care  
We can go to the show, we can stay out here"

And I can take you for a ride on my big green tractor  
We can go slow or make it go faster  
Down through the woods and out to the pasture  
'Long as I'm with you it really don't matter

Climb up in my lap and drive if you want to  
Girl, you know you got me to hold on to  
We can go to town, but baby if you'd rather  
I'll take you for a ride on my big green tractor

Said we can fire it up and I can show you around  
Sit up on the hill and watch the sun go down  
When the fireflies are dancing and the moon comes out  
We can turn on the lights and head back to the house

Or we can take another ride on my big green tractor  
We can go slow or make it go faster  
Down through the woods and out to the pasture  
'Long as I'm with you it really don't matter

Climb up in my lap and drive if you want to  
Girl, you know you got me to hold on to  
We can go to town, but baby if you'd rather  
I'll take you for a ride on my big green tractor

Just let me dust off the seat  
Mmm, put your pretty little arms around me  
Hell yeah

You can climb up in my lap and drive if you want to  
Girl, you know you got me to hold on to  
We can go to town, but baby if you'd rather  
I'll take you for a ride on my big green tractor

Oh yeah, yeah  
We can go to town  
We can go another round  
On my big green tractor
