## **Big Green Tractor**

She had a shiny little Beemer with the rag top down Sittin' in the drive but she wouldn't get out The dogs were all barkin' and waggin' around And I just laughed and said y'all get in

She had on a new dress and she curled her hair She was looking too good not to go somewhere Said "what you want to do, baby, I don't care We can go to the show, we can stay out here"

And I can take you for a ride on my big green tractor We can go slow or make it go faster Down through the woods and out to the pasture 'Long as I'm with you it really don't matter

Climb up in my lap and drive if you want to Girl, you know you got me to hold on to We can go to town, but baby if you'd rather I'll take you for a ride on my big green tractor

Said we can fire it up and I can show you around Sit up on the hill and watch the sun go down When the fireflies are dancing and the moon comes out We can turn on the lights and head back to the house

Or we can take another ride on my big green tractor We can go slow or make it go faster Down through the woods and out to the pasture 'Long as I'm with you it really don't matter

Climb up in my lap and drive if you want to Girl, you know you got me to hold on to We can go to town, but baby if you'd rather I'll take you for a ride on my big green tractor

Just let me dust off the seat Mmm, put your pretty little arms around me Hell yeah

You can climb up in my lap and drive if you want to Girl, you know you got me to hold on to We can go to town, but baby if you'd rather I'll take you for a ride on my big green tractor

Oh yeah, yeah We can go to town We can go another round On my big green tractor
