

I Break Everything I Touch

Jason Aldean

If it's gonna happen, then it's gonna happen
That's just the way that it is
Oh love comes along and it dont take long
Till it slips through my fingertips
I could make some excuses, but darlin the truth is
I'm just the reckless kind
And i dont wanna leave you to pick up the pieces
Oh no matter how i try

Girl, I break everything I touch
Little girl thats close enough
Seems like every heart I've ever loved
I break everything I touch

I can't look in your eyes and tell you a lie
I'd love to leave here with you
Oh but darlin the fact is
I'm always atracted to everything i shouldn't do
Oh so you better know, before i lose control
Before we throw it all to chance
Girl your welcome to stay, but all i've got to say
Before you lay your heart in my hands

Yeah I break everything I touch
Little girl thats close enough
Seems like every heart I've ever loved
I break everything I touch

Well I break everything I touch
Little girl thats close enough
Seems like every heart I've ever loved
I break everything I touch

Yeah I break everything I touch
Little girl thats close enough
Seems like every heart I've ever loved
I break everything I touch
