

# It Ain't Easy

Jason Aldean

I walk a hard line winding road  
Don't really know where it's gonna go  
Seems like trouble's my best friend  
Soon as I get out, I'm back in again  
It's a wonder, I ain't all alone

'Cause it ain't easy  
No, It ain't easy  
It ain't easy, Lovin' me

Don't why know I do the things I do  
Must be I love to light the fuse  
Stand back and watch it crash and burn and turn into ash  
Just like it ain't nothin'  
She ain't something I can lose

'Cause it ain't easy  
No, It ain't easy  
It ain't easy, Lovin' me

She's the brick by brick that built this house  
Without her it would all fall down  
So now she finds the faith and the strength to believe  
Don't know why she sticks around

'Cause it ain't easy  
No, It ain't easy  
It ain't easy, Lovin' me

'Cause it ain't easy  
No, It ain't easy  
It ain't easy, Lovin' me
