

She's Country

Jason Aldean

You boys ever met a real country girl?
Talkin', true blue, out in the woods, down home, country girl

She's a hot little number in her pick-up truck
Daddy's sweet money done jacked it up
She's a party-all-nighter from South Carolina, a bad mamajama f

She's a raging cajun, a lunatic from Brunswick, juicy Georgia p

With a thick southern drawl, sexy swing and walk, brother she's

Country, (shoot) from her cowboy boots to her down home roots
She's country, from the songs she plays to the prayers she pray

That's the way she was born and raised, she ain't afraid to sta

She's a Kansas princess, crazy mother trucker, undercover lover

Thick southern drawl, sexy swing and walk,
Brother she's all

That's the way she was born and raised, she ain't afraid to sta
