

Enough

Jason Castro

You've got your mother's eyes
So young and innocent but then comes life
And as you grow and get older
I hope you always believe
You're everything you were made to be

[Chorus:]

I wanna tell you something
I wanna tell you that you're beautiful
Not lost in a sea of souls
I wanna tell you something
You're more important than you'll ever know
Just look around you
Do you know that you're loved
Do you know
Do you know that you are enough

Some day you'll tell me that you're fine
But I'll always know it when you're not alright
When you're feeling defeated
Insecure and let down
Don't let the pain put your fire out

[Chorus:]

I wanna tell you something
I wanna tell you that you're beautiful
Not lost in a sea of souls
I wanna tell you something
You're more important than you'll ever know
Just look around you
Do you know that you're loved?
Do you know
Do you know that you are enough?

[Bridge:]

Yeah, we've all got pieces, we've got bruises
Grace can cover them up
You don't have to be somebody perfect 'cause you're
enough

[Chorus:]

I wanna tell you something
I wanna tell you that you're beautiful
Not lost in a sea of souls
I wanna tell you something
You're more important than you'll ever know
Just look around you
Do you know that you're loved?
Do you know
Do you know that you are enough?
