

Let's Just Fall In Love Again

Jason Castro

Lets pretend baby
That you've just met me
And Ive never seen you before
Ill tell all my friends
That I think you're staring
And you say the same to yours

And oh, well dance around it all night
And then Ill follow you outside
And try to open up my mouth
And nothing comes out right

And I wanna fall in love with you again
I don't have to try
Its so easy
Who needs to pretend?
But because its so funny
Lets just think about it, honey
Lets just fall in love again

Ill call you in three days
Not too soon, not too late
And Ill ask your roommate if you're home
You call me on Thursday
And well hang out all day
Then fall asleep on the phone

And oh, Ill hold your hand when we drive
And well lose track of all the time
And well tell everyone
That we ain't never felt so alive

And I wanna fall in love with you again
I don't have to try
Its so easy
Who needs to pretend?
But because its so funny
Lets just think about it, honey
Lets just fall in love again

Well fall disgustingly fast
And well stop hanging out with friends
And they'll be so offended

And I wanna fall in love with you again
I don't have to try
Its so easy
Who needs to pretend?
But because its so funny
Lets just think about it, honey
Lets just fall in love again
Lets just fall in love again
