I was young lost stupid didn't know what I was doing wrong just eat sleep feeling free then I'd party all night long but I would never get too worried about the little things in life I knew I won the lottery Cause baby can't you see

Just thinking about you as I sing this song cause when you're around I can do no wrong And I'm never too sharp, never flat girl imagine that
You always know how to bring me right back when my pitch is off
you make it all right when its all so wrong You're my auto tune, you can be my auto tune

Now I've found my way girl ever since you came along as I listen to the radio, bumping to our catchy song you mean more than a grammy and all the money in the world every time that I get off key girl continue to save me

Just thinking about you as I sing this song cause when you're around I can do no wrong And I'm never too sharp, never flat girl imagine that
You always know how to bring me right back when my pitch is off
you make it all right when its all so wrong You're my auto tune, you can be my auto tune (3x)
