

## Side FX

Jason Derülo

Prescription, addiction  
Every defining  
You had this  
Positions, no mission  
Every I give good  
To the baddest

Head over hills stay fall  
Take two of these and  
Call me in the morning (call me in the morning).  
Over the counter  
I'm all up and down you  
Spion this is your warning

Loving me is got a side fx  
You lose your mind 'cause you try the best  
And kind of hide that you've been trying to get  
Loving me is got a side fx, side fx, sex sex sex

Make your body say  
Make your booty say  
All the girls at the bar  
All the girls in the line  
All the girls in the yard  
All the girls

I'm all in your imagination  
Baby I know every waiting  
You'll be at the holiday and  
Wait, where it's your  
Hairs of high in your crystal long I'ma  
Get you high  
We don't need no door.

Head over hills stay fall  
Take two of these and  
Call me in the morning (call me in the morning).  
Over the counter  
I'm all up and down you  
Spion this is your warning

Loving me is got a side fx  
You lose your mind 'cause you try the best  
And kind of hide that you've been trying to get  
Loving me is got a side fx, side fx, sex sex sex

She flow, she sweet  
Making, trying go deep,  
Transform from the pants on,  
To your birthday sooner them sheets  
Versace, so what?  
Face down, turn up  
Her girlfriend from south beach,  
in town tell em load up  
had a three song at the Lamar town  
trying to force on but the trunk  
and we ain't poppin' no mollies man

them girls do what they want  
they all want me, me  
they fall on me, me  
so we're gonna do my long keep calm, bal on me.

Loving me is got a side fx  
You lose your mind 'cause you try the best  
And kind of hide that you've been trying to get  
Loving me is got a side fx, side fx, sex sex sex

Loving me is got a side fx  
You lose your mind 'cause you try the best  
And kind of hide that you've been trying to get  
Loving me is got a side fx, side fx, sex sex sex

Make your body say  
Make your booty say  
All the girls at the bar  
All the girls in the line  
All the girls in the yard  
All the girls  
Loving me is got a side fx
