

Stupid Love

Jason Derülo

Walking the dog in my neighbourhood
Said I never would for you
I got drunk on a money night
Hope it looks alright
Tattoo a few, uh
I'm a yes man on the loose
Black star on my credit card
Bought your favorite car, times two

I'm crazy for you
Lord knows what I'd do
I'd even die for you
Whatever you need
I'm down on my knees
I guess that means
I guess that means

I'm dam da da rid a dam
Dam da da rid a dam
Dam da da rid a dam
I'm stupid in love
Dam da da rid a dam
Dam da da rid a dam
Dam da da rid a dam
Stupid
I'm stupid in love, stupid

We decorate my crib
Can't believe I did
It's true, it's true
I'm a shame but I said okay
To share a facebook page
With you, with you
Cause I'm a yes man on the loose
And I'll do anything for you, baby

I'm crazy for you
Lord knows what I'd do
I'd even die for you
Whatever you need
I'm down on my knees
I guess that means
I guess that means

I'm dam da da rid a dam
Dam da da rid a dam
Dam da da rid a dam
I'm stupid in love
Dam da da rid a dam
Dam da da rid a dam
Dam da da rid a dam
Stupid
I'm stupid in love, stupid

And they can all call me crazy (crazy)
I'm a fool for you baby (baby)
But they ain't never seen you naked, naked

And they can all call me crazy
I'm a fool for you baby (baby)
But they ain't never seen you naked, naked

I'm crazy for you
Lord knows what I'd do
I'd even die for you
Whatever you need
I'm down on my knees
I guess that means
I guess that means

I'm dam da da rid a dam
Dam da da rid a dam
Dam da da rid a dam
I'm stupid in love
Dam da da rid a dam
Dam da da rid a dam
Dam da da rid a dam
Stupid
I'm stupid in love, stupid
