The Other Side

Jason Derülo

In the beginning I never thought it would be you When we were chillin Smiling in the photobooth But we got closer (Yeah) Soon you were eating off my spoon And coming over And we would talk all afternoon

Tonight we'll just get drunk Disturb the peace Bind your hands all over me And then you bite your lip Whisper and say, "We're going all the way"

Tonight, take me to the other side Sparks fly like the Fourth of July Just take me to the other side I see that sexy look in your eyes And I know, we ain't friends anymore If we walk down this road We'll be lovers for sho So tonight kiss me like it's do or die And take me to the other side

This could be perfect But we won't know unless we try (Try) I know you're nervous So just sit back and let me drive

Tonight we'll just get drunk Disturb the peace Bind your hands all over me And then you bite your lip Whisper and say, "We're going all the way"

Tonight, take me to the other side Sparks fly like the Fourth of July Just take me to the other side I see that sexy look in your eyes

And I know, we ain't friends anymore If we walk down this road We'll be lovers for sho So tonight kiss me like it's do or die And take me to the other side

(Woah) Kiss me like it's do or die And take me to the other side

Tonight we'll just get drunk Disturb the peace Let your love crash into me And then you bite your lip Whisper and say, "We're going all the way" Tonight, take me to the other side Sparks fly like the Fourth of July Just take me to the other side I see that sexy look in your eyes And I know, we ain't friends anymore If we walk down this road We'll be lovers for sho

So tonight kiss me like it's do or die And take me to the other side (Woah) Take me to the other side (Woah) And take me to the other side (Woah) Kiss me like it's do or die (Woah) And take me to the other side
