

# If I Don't Have You

Jason Donovan

I'd go out of my mind  
Don't you say I've been blind  
I can't believe this can be  
Don't tell me it's over  
Haven't I shown you  
I'll never face the world without you

All of my life  
I'd be wasting my time  
I'd be lost in the dark  
Don't say you could leave me  
Tell me you need me  
See how you stole my heart

All I want is a second chance  
Don't say you wanna be free

If I don't have you  
everything I lose  
No way that I can win  
If I don't have you  
If I don't have you  
I don't have anything

All of the time  
It's been you on my mind  
I'd never dream we could part  
Where would I run to  
I've only begun to  
see how you'd break my heart

Don't you see what you mean to me  
Don't say you wanna be free

If I don't have you  
everything I lose  
No way that I can win  
If I don't have you  
If I don't have you  
I don't have anything

I'll never face the world without you  
All of my life  
I'd be wasting my time  
I'd be lost in the dark  
Don't say you could leave me  
Tell me you need me  
See how you stole my heart

All I want is a second chance  
Don't say you wanna be free

If I don't have you  
everything I lose  
No way that I can win  
If I don't have you  
If I don't have you

I don't have anything

If I don't have you  
everything I lose  
No way that I can win  
If I don't have you  
If I don't have you  
I don't have anything
