

# Once In My Life

Jason Donovan

Way back in my life  
When I was nothing but a child  
Stood just where you are and looked around  
Felt that I could walk on higher ground  
But time drifted by  
Years I ran from phase to phase  
Somehow I forgot what i was then  
Somehow I forgot to care

For once in ly life  
I'll get it right  
Always before, I let it all go  
Once in my life  
Won't turn around  
Cause I know that I'll be strong  
For once in my life

Way back in my mind  
Thought I'd make it on my own  
The wonders of the world were there for me  
But dreams they fade and die  
When a man can't keep his soul alive  
So when I saw your face beyond the wall  
I knew I nearly lost it all

For once in ly life  
I'll get it right  
Always before, I let it all go  
Once in my life  
Won't turn around  
Cause I know that I'll be strong  
For once in my life

And the tears roll down, roll down my face  
Til I've cried for the human race  
Let love be my last temptation  
Let love be my great creation

For once in ly life  
I'll get it right  
Always before, I let it all go  
Once in my life  
Won't turn around  
Cause I know that I'll be strong  
For once in my life

What do you see in my life?  
Love has to be in my life  
What do you see in my life?  
Love has to be in my life  
In my life  
In my life  
Deep in my life  
In my life...
