

What a Difference a Day Made

Jason Donovan

What a difference a day makes,
Twenty-four little hours,
Brought the sun and the flowers,
Where their used to be rain.

My yesterday was blue dear,
Today I?m a part of you dear,
My lonley nights are through dear,
Since you said "you are mine".

Oohhh, what a difference a day makes,
Theirs a rainbow before me,
Skie's above can't bestore me,
Since that moment of bliss,
That thrilling kiss.

It's heaven when you,
Find romance on the menu,
What a difference a day,
And the difference is you.

Oohhh, what a difference a day makes,
Theirs a rainbow before me,
Skie's above can't bestore me,
Since that moment of bliss,
That thrilling kiss.

It's heaven when you,
Find romance on the menu,
What a difference a day made,
And the differemce is you.

The difference is you, ooohhh.
