

# Zing! Went the Strings of My Heart

Jason Donovan

Never cut carried tune  
Never new were the Star  
You came alone  
When everything is wrong  
and do the song in my Heart

Dear, when you smile at me  
I hear a melody  
It haunted me from the start  
Something inside of me  
Started a symphony  
Zing went the strings of my heart

Whoa now the breath of spring  
Whoa I heard a robin sing  
About a nest... apart  
All that you seem to be  
End up in harmony  
Zing went the strings of my heart

I still recall the thrill  
I guess I always will  
I hope we'll never depart  
Dear, with your lips to mine  
A rhapsody divine  
Zing went the strings of my heart  
Zing went the strings of my heart  
Zing zing zing zing
