

Zing! Went the Strings of My Heart

Jason Donovan

Never cut carried tune
Never new were the Star
You came alone
When everything is wrong
and do the song in my Heart

Dear, when you smile at me
I hear a melody
It haunted me from the start
Something inside of me
Started a symphony
Zing went the strings of my heart

Whoa now the breath of spring
Whoa I heard a robin sing
About a nest... apart
All that you seem to be
End up in harmony
Zing went the strings of my heart

I still recall the thrill
I guess I always will
I hope we'll never depart
Dear, with your lips to mine
A rhapsody divine
Zing went the strings of my heart
Zing went the strings of my heart
Zing zing zing zing
