

# Good To Be Alive

Jason Gray

Hold on  
Is this really the life I'm living?  
Cause I don't feel like I deserve it  
Every day that I wake, every breath that I take you've given  
So right here, right now  
While the sun is shining down

I wanna live like there's no tomorrow  
Love like I'm on borrowed time  
It's good to be alive, yeah

Hold on  
If the life that we've been given  
Is made beautiful in the living  
And the joy that we get brings joy to the heart of the giver  
Then right here, right now  
This is the song I'm singing out

I wanna live like there's no tomorrow  
Love like I'm on borrowed time  
It's good to be alive  
[X2]

I won't take it for granted  
I won't waste another second  
All I want is to give you  
A life well lived, to say "thank you"

I wanna live like there's no tomorrow  
Love like I'm on borrowed time  
It's good to be, it's good to be alive

I wanna live like there's no tomorrow  
Love like I'm on borrowed time  
It's good to be alive

I won't take it for granted  
I won't waste another second  
All I want is to give you  
A life well lived, to say "thank you"
