

# Let Me

Jason Michael Carroll

It's awful late to be calling you.  
You know I hate to,  
Wake you up in the middle of the night.  
I know you said last time we talked,  
You said you'd give us a little thought  
So I'm wondering if you might, let me

Be your comfort, your shelter from the storm  
Your open road, your way back home  
The one that keeps you safe and holds you tight,  
The one that keeps you up all night.  
Let me be your laughter, a shoulder for your tears,  
Let me be your faith in the face of your fears,  
I can be, I can be everything that you need,  
If you just let me...

I'll take it as a pretty good sign,  
That you're still on the line,  
Even though you ain't had much to say.  
So I'll just keep this goin' on,  
Cause it don't feel close to wrong,  
So won't you tell me that it's okay,  
Let me...

Be your comfort, your shelter from the storm  
Your open road, your way back home  
The one that keeps you safe and holds you tight,  
The one that keeps you up all night.  
Let me be your laughter, a shoulder for your tears,  
Let me be your faith in the face of your fears,  
I can be, I can be everything that you need,  
If you just let me...

Let me take your mind off where you've been,  
Give me the chance, girl let me in.  
I can be, I can be everything that you need,  
If you just let me...

Be your comfort, your shelter from the storm  
Your open road, your way back home  
The one that keeps you safe and holds you tight,  
The one that keeps you up all night.  
Let me be your laughter, a shoulder for your tears,  
Let me be your faith in the face of your fears,  
I can be, I can be everything that you need,  
If you just let me...  
If you just let me...
