

93 Million Miles

Jason Mraz

93 million miles from the Sun, people get ready, get ready,
'Cause here it comes it's a light, a beautiful light,
over the horizon in
to your eyes
Oh, my my how beautiful, oh my beautiful mother
She told me, "Son in life you're gonna go far, and if
you do it right
you'll love where you are
Just know, wherever you go, you can always come home"

Ohh... ohh... ohh...
Ohh... ohh... ohh...

240 thousand miles from the Moon, you've come a long
way to belong here,
To share this view of the night, a glorious night, over
the horizon is
another bright sky
Oh, my my how beautiful, oh my irrefutable father,
He told me, "Son sometimes it may seem dark, but the
absence of the light is
a necessary part.
Just know, you're never alone, you can always come
back home"

Ohh... ohh... ohh...
Ohh... ohh... ohh...

You can always come back... back...

Every road is a slippery slope
There is always a hand that you can hold on to.
Looking deeper through the telescope
You can see that your home's inside of you.

Just know, that wherever you go, no you're never alone,
you will always
get back home

Ohh... ohh... ohh...
Ohh... ohh... ohh...

Ohh... ohh... ohh...
Ohh... ohh... ohh...
You can always get back home...

93 million miles from the sun, people get ready, get ready,
'Cause here it comes it's a light, a beautiful light,
over the horizon in
to our eyes...
