

# Everything Is Sound

Jason Mraz

When there is love, I can't wait to talk about it  
When things get rough, I like to walk with you  
Or when it's night, I like to be the light that's missing  
And remind you every minute of the future isn't written  
Not yet

When there is love, or when the heart feels heavy  
We can lighten it up, if you've had enough  
Well you can empty your glass and we can fill it back up  
You know it's up to us to make it all up  
So what you making up? I can make it up back  
You could be loved no matter what  
And know the only time is right now, it's right where... where you are  
You don't need a vacation when there's nothing to escape from

Singing  
La la la la  
Let's all sing  
La la la la  
Laying it down  
Everything is sound

Let's sing to be happy, to feel things, to communicate, and be heard  
Or sing out to protest, and to project, and to harmonize with birds  
Whether it's your birthday or your dying day  
It's a celebration too  
Rejoice to use your voice and give wings to any of choice  
Whatever you're choosing right now, it's right where... where you are  
You don't need a vacation when there's nothing to escape from

Set your vibration and undulation to the highest it can go  
And trust me, hear me  
If it makes you wanna sing  
Just sing it

La la la la  
Let's all sing  
La la la la  
Laying it down  
Everything is sound  
La la la la  
Let's all sing  
La la la la  
Hallelujah

It's a song that I've forgotten often  
It doesn't make me wrong  
Cause we all need the darkness, to see the light  
In our own eyes, come on, and sing it

La la la la  
Let's all sing  
La la la la  
Laying it down  
Everything is sound  
La la la la  
Let's all sing

La la la la  
Hallelujah  
We're connected now  
La la la la  
Let's all sing  
Hallelujah  
Everything is sound  
La la la  
Let's all sing  
La la la la  
Hallelujah  
We're connected now
