

# Have It All

Jason Mraz

May you have auspiciousness and causes of success  
May you have the confidence to always do your best  
May you take no effort in your being generous  
Sharing what you can, nothing more nothing less  
May you know the meaning of the word happiness  
May you always lead from the beating in your chest  
May you be treated like an esteemed guest  
May you get to rest, may you catch your breath

And may the best of your todays be the worst of your tomorrows  
And may the road less paved be the road that you follow

Well here's to the hearts that you're gonna break  
Here's to the lives that you're gonna change  
Here's to the infinite possible ways to love you  
I want you to have it  
Here's to the good times we're gonna have  
You don't need money, you got a free pass  
Here's to the fact that I'll be sad without you  
I want you to have it all

Oh! I want you to have it all  
I want you to have it  
I want you to have it all

May you be as fascinating as a slap bracelet  
May you keep the chaos and the clutter off your desk  
May you have unquestionable health and less stress  
Having no possessions though immeasurable wealth  
May you get a gold star on your next test  
May your educated guesses always be correct  
And may you win prizes shining like diamonds  
May you really own it each moment to the next

And may the best of your todays be the worst of your tomorrows  
And may the road less paved be the road that you follow

Well here's to the hearts that you're gonna break  
Here's to the lives that you're gonna change  
Here's to the infinite possible ways to love you  
I want you to have it  
Here's to the good times we're gonna have  
You don't need money, you got a free pass  
Here's to the fact that I'll be sad without you  
I want you to have it all

Oh! I want you to have it all  
I want you to have it  
I want you to have it all

Oh, I want you to have it all  
All you can imagine  
All, no matter what your path is  
If you believe it then anything can happen  
Go, go, go raise your glasses  
Go, go, go you can have it all  
I toast you

Here's to the hearts that you're gonna break  
Here's to the lives that you're gonna change  
Here's to the infinite possible ways to love you  
I want you to have it  
Here's to the good times we're gonna have  
You don't need money, you got a free pass  
Here's to the fact that I'll be sad without you  
I want you to have it all

Oh! I want you to have it all  
I want you to have it  
I want you to have it all

Here's to the good times we're gonna have  
Here's to you always making me laugh  
Here's to the fact that I'll be sad without you  
I want you to have it all
