

Hey Love

Jason Mraz

Hey love, where you going to?
You're not sleeping anymore, you're just trying to.
Stay love, where you running to?
Awful happens all the time, don't let it kill you.

Easily with me I feel as fast as I can see..
Afraid of the horror stories I fall down on my knees.

Come away, come away
From all these things unheard
If a chosen word has got you cornered
Then it's a lesson learned
Like close the book before it burns you.
Come away, come away
From all these things unseen
At the price you paid I promise you won't believe anything they
say
Belief will only disappoint you

Well in case you never noticed the path you never chose has cho
sen you.
Don't be fraid to face and break it, your secrets...yeah...
Don't be afaid to face and break it, your secrets...stay, stay.
..
Hey, hey love where ya goin'? ya goin to...
You're not sleepin' in, you're not sleepin' in, no, not...
Hey love, hey love, hey love, where ya runnin' to?
Awful happens all the time, try not to let it kill you...
