Living in the Moment

Jason Mraz

If this life is one act Why do we lay all these traps We put them right in our path When we just wanna be free

I will not waste my days Making up all kinds of ways To worry about all the things That will not happen to me

So I just let go of what I know I don't know And I know I only do this by Living in the moment Living my life Easy and breezy With peace in my mind I got peace in my heart Got peace in my soul Wherever I'm going, I'm already home I'm living in the moment

I'm letting myself off the hook for things I've done I let my past go past And now I'm having more fun I'm letting go of the thoughts That do not make me strong And I believe this way can be the same for everyone And if I fall asleep I know you'll be the one who'll always remind me

To live in the moment To keep living my life Easy and breezy With peace in my mind I got peace in my heart Got peace in my soul Wherever I'm going, I'm already home

I can't walk through life facing backwards I have tried I tried more than once to just make sure And I was denied the future I'd been searching for I spun around and hurt no more By living in the moment Living my life Easy and breezy With peace in my mind I got peace in my heart Got peace in my soul Wherever I'm going, I'm already home

I'm living in the moment I'm living my life Just taking it easy With peace in my mind I got peace in my heart I got peace in my soul Oh, wherever I'm going, I'm already home I'm living in the moment
