

# Love Someone

Jason Mraz

Love is a funny thing  
Whenever I give it, it comes back to me  
And it's wonderful to be  
Giving with my whole heart  
As my heart receives  
Your love

Oh, ain't it nice tonight we've got each other  
And I am right beside you  
More than just a partner or a lover  
I'm your friend

When you love someone  
Your heartbeat beats so loud  
When you love someone  
Your feet can't feel the ground

Shining stars all seem  
To congregate around your face  
When you love someone  
It comes back to you

And love is a funny thing  
It's making my blood flow with energy  
And it's like an awakened dream  
As what I've been wishing for, is happening  
And it's right on time

Oh ain't it nice this life, we've got each other  
And I am right beside you  
More than just a partner or a lover  
I'm your friend

When you love someone  
Your heartbeat beats so loud  
When you love someone  
Your feet can't feel the ground

Shining stars all seem  
To congregate around your face  
When you love someone  
When you love someone

We're gonna give ourselves to love tonight  
Lifting up to touch the starlight  
And we will savor every second  
We suspend together  
You and I will  
You and I will  
You and I will

When you love someone  
Your heartbeat beats so loud  
When you love someone  
Your feet can't feel the ground

Shining stars all seem

To congregate around your face  
When you love someone  
It comes back to you
