

The Remedy (I Won't Worry)

Jason Mraz

Well I saw fireworks from the freeway
And behind closed eyes I cannot make them go away
'Cause you were born on the fourth of july, freedom
ring
Now something on the surface it stinks
I said something on the surface
Well it kind of makes me nervous
Who says that you deserve this
And what kind of god would serve this?
We will cure this dirty old disease
If you've got the poison I've got the remedy

The remedy is the experience.
This is a dangerous liaison
I says the comedy is that it's serious.
This is a strange enough new play on words
I said the tragedy is how you're gonna spend
The rest of your nights with the light on
So shine the light on all of your friends
When it all amounts to nothing in the end.

I won't worry my life away hey oh oh.
I won't worry my life away hey oh oh.

I heard two men talking on the radio
In a cross fire kind of new reality show
Uncovering the ways to plan the next big attack
They were counting down the ways to stab
The brother in the be right back after this
The unavoidable kiss, where the minty fresh
Death breath is sure to outlast this catastrophe
Dance with me, because if you've got the poison,
I've got the remedy

The remedy is the experience.
This is a dangerous liaison
I says the comedy is that it's serious.
This is a strange enough new play on words
I said the tragedy is how you're gonna spend
The rest of your nights with the light on
So shine the light on all of your friends
When it all amounts to nothing in the end.

I won't worry my life away hey oh oh.
I won't worry my life away hey oh oh.

When I fall in love I take my time
There's no need to hurry when I'm making up my mind
You can turn off the sun but I'm still gonna shine and
I'll tell you why

Cause

The remedy is the experience.
This is a dangerous liaison
I says the comedy is that it's serious.
This is a strange enough new play on words

I said the tragedy is how you're gonna spend
The rest of your nights with the light on
So shine the light on all of your friends
When it all amounts to nothing in the end.

I won't worry my life away hey oh oh.
I won't worry my life away hey oh oh.

I won't and I won't and I won't
