

The Woman I Love

Jason Mraz

Maybe I annoy you with my choices
Well, you annoy me sometimes too with your voice
But that ain't enough for me
To move out and move on
I'm just gonna love you like the woman I love

We don't have to hurry
You can take as long as you want
I'm holdin' steady
My heart's at home
With my hand behind you
I will catch you if you fall
Yeah I'm gonna love you like the woman I love

Sometimes the world can make you feel
You're not welcome anymore
And you beat yourself up
You let yourself gettin' mad
And in those times when you stop lovin'
That person I adore
You could relax
Because, babe, I got your back
Hey

No, I don't mean to change you
You've got it under control
You wake up each day different
Another reason for me to keep holdin' on
I'm not attached to any way you're showing up
I'm just gonna love you like the woman I love
Yeah I'm gonna love you
Yeah I'm gonna love you
You're the woman I love
