

Alone

Jason Reeves

Colors only made to fade
It gets faster every single day
Our brightest red is turning into gray
And it's gonna leave a stain

Just to remind us
How good it once was
Before the flame

What if
We don't finish what we started?
Because loving is the hardest
Are we brave enough to be alone?

Feeling that are never spoken
Our letters that were never opened
Underneath the sky is falling frozen
Silence is why we are broken

Don't remind us
How good it once was
Before the flame

What if
We don't finish what we started?
Because loving is the hardest
Are we brave enough to be alone

Alone
Hoo, hoo, hoo
Hoo, hoo, hoo
Hmmm
Hoo, hoo, hoo
Hoo, hoo, hoo
Mmm
Mmm mmm mmm

So what if
We don't finish what we started?
Because trusting is the hardest
Are we brave enough to be alone

If we are better off apart
Then I hope wherever we go
We're always brave enough
To be alone

Alone
Hoo, hoo
Alone
Hoo, hoo
Alone
Hoo, hoo, hoo
Hoo, hoo, hoo
Hoo, hoo, hoo
Hoo, hoo, hoo
Hoo, hoo, hoo
Hoo, hoo, hoo
