

Gasoline

Jason Reeves

She takes a drink
She's had a few
She wants to not feel guilty
Empties the glass and shakes her ass
Forgets that she is filthy
She knows the game
They're all the same
She's gonna use her body
She strikes a match
As she is covering my heart with

Gasoline
And I'm going down much faster
Than anything I've ever seen

Gasoline
And she's a heartless bitch
Telling me to keep my mouth clean

She's walking home
She's not alone
She doesn't know how to be
She figured out just where it hurts
She wants to give it to me
He takes her hand
They go to bed
They wanna make me go crazy
He hits the lights
As she is covering my heart with

Gasoline
And I'm going down much faster
Than anything I've ever seen

Gasoline
And she's a heartless bitch
Telling me to keep my mouth clean

And I don't wanna see your face
I don't wanna speak your name
Don't wanna hear your voice
You're reminiscing's all the same
It's all the same
I don't wanna see your face
I don't wanna hear your name
Or hear your voice

Isn't this the way you wanted me
Bleeding out and drinking

Gasoline
And I'm going down much faster
Than anything I've ever seen

Gasoline
And she's a heartless bitch
Telling me to keep my mouth clean
