

Happy Accident

Jason Reeves

It's kinda crazy running into you
A million people trying
To catch a train on a Tuesday
I'm not too sure what made me smile
Or turn around at the turnstile
Forgetting everything I had to do

I want it to be like that again
Like the first time
Will it ever be like that again
Like the first time
Like a happy accident

In the park the trees were all in bloom
No one seeing pictures in the clouds
But me and you
I don't know why
It's not so clear
But I feel like I've known you for years
Just laughing
'Cause we've got nothing to lose
Oh oh

I want it to be like that again
Like the first time
Will it ever be like that again
Like the first time
Like a happy accident

Love is so unexpected
Can't just go out and get it
Love is so unexpected
Just like a happy accident
Just like a happy accident

We never wrote
Or talked or called
And time has passed
But I still recall
Every single detail of the day

Oh
I want it to be like that again
Like the first time
Will it ever be like that again
Like the first time
Like a happy accident

Love is so unexpected
Can't just go out and get it
Love is so unexpected
Just like a happy accident
Just like a happy accident
Oh, Just like a happy accident

It's kinda crazy running into you
A million people trying

To catch a train on a Tuesday
