

I Can't Imagine

Jason Reeves

Staring at the sky.
The colors in my eyes are changing.
Mmmm
I can't tell you why,
The wires in my heart are aching.
Mmmm

I was so happy on my own.
But now i'm scared to be be alone...

Cause no one in my life has ever felt so
right
Like you.
And now I don't know what to do.
Even if I try, I can't imagine life without
you.
And now I don't know what to do.

If I touch your skin
I'm afraid I might sink in.
Mmmmm.
And only kiss your lips
To taste the magic you've been hiding.
Mmmmm.

I was so happy on my own.
But now i'm scared to be alone.

Cause no one in my life has ever felt so
right
Like you.
And now I don't know what to do.
Even of I try
I can't imagine life without you.
And now I don't know what to do.

Cause everything was black and white.
But now it's ultra violet light.

No one in my life has ever felt so right
Like you.
And now I don't know what to do.
Even if I try
I can't imagine life without you.
And now I don't know what to do.
Mmm
Now I don't know what to do.
Now I don't know what to do.
