

# I'll Never Leave You Again

Jason Reeves

Just one more airplane  
Just one more war to win  
Just one more storming sea  
I'm lost and I'm still sailing in  
Just one more hurricane  
Just one more time machine  
And I'll be free

I'll never leave you again  
I'll never leave you again  
I'll burn my suitcase to ashes  
And then  
I'll never leave you... I'll never leave you again.

Just one more rocket ship  
To shoot me to the stars  
Just one more parachute  
To drop me safely where you are  
Just one more taxi cab  
Just one more telephone  
And I'll be home

I'll never leave you again  
I'll never leave you again  
I'll burn my suitcase to ashes  
And then..  
I'll never leave you... I'll never leave you again.

Just one more hill to climb  
Just one more road to take  
Just one more wrong to right  
Before I kiss your face

I'll never leave you again  
I'll never leave you again  
I'll burn my suitcase to ashes  
And then..  
I'll never leave you... I'll never leave you again.

I'll never leave you again.
