Save My Hearts

Jason Reeves

I want what I can't have
I wanna make you mine
I don't care what it takes

I'm fearless with my heart
I'll take it any place
I don't care if it breaks

I wanna tell you things
I never tell myself
These secrets hurt like hell, oh

Call me crazy, maybe I'm insanely
Out of my mind but it'll never phase me
If I have to, I'm not afraid to
Save my heart for you

I'm a rebel even if it's trouble
I'ma pull you out from the rubble
If I have to, I'm not afraid to
Save my heart for you

Tell me I'm wrong
Turn around and run
Still I'm gonna save my heart for you

I know you want me too
Even if it's not now
I'm gonna wait it out

But don't you dare forget
That moment that we had
I know we both felt it

I wanna tell you things
I never tell myself
These secrets hurt like hell, oh

Call me crazy, maybe I'm insanely
Out of my mind but it'll never phase me
If I have to, I'm not afraid to
Save my heart for you

I'm a rebel even if it's trouble
I'ma pull you out from the rubble
If I have to, I'm not afraid to
Save my heart for you

Tell me I'm wrong
Turn around and run
Still I'm gonna save my heart for you
Oh oh
Oh oh

I wanna tell you things
I never tell myself
These secrets hurt like hell, oh

The first time that you smiled
So shyly back at me
I couldn't help myself

Call me crazy, maybe I'm insanely
Out of my mind but it'll never phase me
If I have to, I'm not afraid to
Save my heart for you

I'm a rebel even if it's trouble
I'ma pull you out from the rubble
If I have to, I'm not afraid to
Save my heart for you

Tell me I'm wrong
Turn around and run
Still gonna save my heart for you

Tell me I'm wrong
Turn around and run
Still gonna save my heart for you
Oh oh

I want what I can't have
I gonna make you mine
No matter what it takes
