

The End

Jason Reeves

The end is such a scary place to start
Everything is torn apart
And I don't know where to go from here

In the end there's no reason to pretend
I know you won't be back again
I gotta find a way from here

I don't know where I'll fall down
But I'm sure to hit the ground

'Cause it's not over 'til it's over
Every ending is a new beginning
One more chance to get it right
One more chance to get it wrong

And it's not over 'til it's over
Sometimes nowhere leads to somewhere
And it all starts again
Yeah, It all starts again in the end

And it's such a scary place to be
Everything is in between
I don't know where to go from here

And in the end
I see it's all up to me to figure out
Where I should be
I'm gonna find a way from here

I don't know where I'll fall down
But I'm sure to hit the ground

'Cause it's not over 'til it's over
Every ending is a new beginning
One more chance to get it right
One more chance to get it wrong

It's not over 'til it's over
Sometimes nowhere leads to somewhere
And it all starts again
Yeah, It all starts again in the end

(Oh, oh, oh, oh)

'Cause it's not over 'til it's over
Every ending is a new beginning
One more chance to get it right
One more chance to get it wrong

It's not over 'til it's over
Sometimes nowhere leads to somewhere
And it all starts again
Yeah, It all starts again in the end

(Oh, oh, oh, oh)

(Oh, oh, oh, oh)

In the end
(Oh, oh, oh, oh)
(Oh, oh, oh, oh)

And it all starts again
(Oh, oh, oh, oh)
And it all starts again
(Oh, oh, oh, oh)
And it all starts again
(Oh, oh, oh, oh)

Yeah
It all starts again in the end
(Oh, oh, oh, oh)

It's such a scary place to be
Everything is in between
I don't know where to go from here
