

# I'd Give It All For You

Jason Robert Brown

I had a house while you were gone  
The week after you left me  
I found a couple acres  
Near Sarilla Park  
I had a house while you were gone  
A house with silver shutters  
And a driveway laid in marble  
And thousands of rooms to fill  
And miles of space to fly  
And I tried to believe it,  
It was better without you  
I was safer alone  
No, I'd give it all for you  
I'd give it all for you by my side once more  
Oh, I'd give it all for you  
I'd give it all to hold you again  
To feel I'm completed  
To know there and then  
That all that I needed  
Was you to fight the fear  
And now you're here  
I took a trip while I was gone  
I cashed in all my savings  
And bought an Eldorado  
Drove to Tennessee  
I took a trip while I was gone  
I drove across the country  
And I stopped at lots of diners  
And stared at a million stars  
And thought I could touch the sky  
And I tried to believe it,  
It was better without you  
I was finally free  
No, I'd give it all for you  
I'd give it all for you by my side once more  
Oh, I'd give it all for you  
I'd give it cause the mountains I climb  
Get higher and higher  
I'm running from time  
And walking through fire  
And dreams just don't come true  
But now there's you  
God knows it's easy to hide,  
Easy to hide from the things that you feel  
And harder to blindly trust  
What you can't understand  
God knows it's easy to run,  
Easy to run from the people you love  
And harder to stand and fight  
For the things you believe  
Nothing about us was perfect or clear  
But when paradise calls me  
I'd rather be here  
There's something between us  
That nobody else needs to see  
There were oceans to cross  
There were mountains to conquer

And I stood on the shore  
And I stood on the cliff  
And the second before I jumped  
I knew where I needed to be  
Oh, I gave it all for you  
I gave it all for you by my side once more  
Oh, I gave it all for you  
I gave it cause it's harder to touch  
The things that are dearer  
I love you too much  
To trust something clearer  
I know I fell too far  
But here you are
