

Beyond The Window

Jason Upton

Take It Real Deep Inside
Breathe Reality Inside Now
Take A Breath Of The Pure Oxygen Of Heaven Now

And Just Believe... Just Believe...
Just Believe... Just Believe...
Just Believe... Just Believe...

In The Moment Where It Looks Like You Lost All Your Power
In The Moment Where You Are All Alone
As You Wait For Me... As You Wait For Me...
Sometimes, there's Just Nothing Left To Do, So You Wait For Me

When Everybody, That You Thought Was Your Friend Leaves You
I will Never Leave You...
I will Come To You In The Midst Of Your Heartache
I will Come To You In The Midst Of Your Pain
I will Come To You In The Midst Of Your Lonliness
I will Come To You In The Midst Of Your Rejection

And Breathe New Life...
Breathe New Life Into You
Breathe New Life Into You

Stay And Wait Wait Upon The Lord
I will Renew Your Strength
They will Run And Not Get Weary
They will Walk And Shall Not Faint

I Never Leave You...
So As You Wait
And You Wait On Me...
As You Wait On Me

Give You Wings Like The Eagles
New Wings, New Wings
New Power That You Never Known
As You Wait On Me

Your Not Alone...
Breaking Off Rejection...
He's Breaking Off Rejection...

Look Beyond The window There
There's A Sky Above, there's An Open Air
Look Beyond The window There
There's A Sky Above, there's Open Air
Just, Look Beyond The window There
There's A Sky Above, there's An Open Air
Just, Look Beyond The window There
There's A Sky Above, there's Open Air
Yeah, Just Look Beyond The window There
There's A Sky Above, there's An Open Air

Don't Be Afraid...
Your Not Alone...
Your Not Alone...

I Never Leave You
I Never Leave You
I Never Leave You
