

Clouds And Creeds

Jason Upton

If I Could See Your Face
I Think You'd Smile At Me
You've Got That Kind Of Face
That Defies Gravity

Your Too Much
Your Too Much For Me
Your Too Much
Your Too Much For Me

One Time I Saw The Sun
Setting Upon The Sea
As Fast As It Was Gone
It Came Right Back To Me

Your Too Much
Your Too Much For Me
Your Too Much
Your Too Much For Me

Sometimes Your In The Cloud
Sometimes Your In The Creed
Sometimes Your In The Star
Sometimes Your Next To Me

Your Too Much
Your Too Much For Me
Your Too Much
Your Too Much For Me

Sometimes We Follow Crowds
Sometimes We Just Believe
Sometimes We Think Were Smart
Sometimes We Think Were Free

Your Too Much
Your Too Much For Me
Your Too Much
Your Too Much For Me
