

When ears open up wide
When blinders fall from eyes to the floor
When everyone will be down on bended knee before the Lord
All will know then
But we pray right now

Jesus
A mighty revelation
Jesus
Coming to the nations
Jesus
Like never before
Jesus
The salvation of the
Holy, holy... Holy, holy, holy, holy Lord

When stars fall from the sky
When figs fall from the cry of the wind
When leaders hide in caves
Fearful of the great wrath of Him
All will know then
But we pray right now

Jesus
A mighty revelation
Jesus
Coming to the nations
Jesus
Like never before
Jesus
The salvation of the
Holy, holy... Holy, holy, holy, holy Lord
