

Never Alone

Jason Upton

Sometimes we feel so afraid
sometimes we feel so alone
sometimes we feel confused
sometimes we feel so helpless
and we don't know what to do
so hard to believe
if I never heard the voice
of a father say to me

You're not alone
You're not alone
I never leave you
I never leave you

I'm not alone
I;m not alone
You never leave me
You never leave me
