

One Step Away

Jason Upton

I was told when I was young
that one day soon I'm going to see you
We'll take a train far from this place
where all our pain will be over

My God how I long to see you now
and something in my heart tells me somehow
You're one step away

A distant sound is hard to hear
even a sound as loud as thunder
A distant heart is full of fear
a distant soul has lost it's wonder

Sometimes it's hard to hear Your voice, my God
is the reason that You're whispering because
You're one step away...
