

# The World Is Wide Open

Jason Upton

There is a power in poverty that breaks principalities  
It brings the authorities down to their knees

There is a brewing frustration and an ageless temptation  
To fight for control by manipulation

The God of the Kingdoms and God of Creation, God of the Nations  
Sent this revelation through the homeless and penniless Jesus the Son  
"The poor will inherit the Kingdom to come"

Where will we turn when our world falls apart  
And all of the treasures we stored in our barns,  
Can't buy the Kingdom of God?

And who will we praise when we've praised all our lives,  
Men who build kingdoms and men who build fame, but Heaven does not know their names?

And what are we gonna fear,  
When all that remains is a God on the throne with a child in his arms  
And love in His eyes?

And the sound of His heart crying...

Take us way beyond religion  
Way beyond the minds of man  
Take us way beyond religion  
Way beyond the minds of man  
Take us way beyond politics and the ways of the world  
Oh deeper, deeper, deeper, deeper, deeper, deeper,  
We want to go deeper

Deeper into the ways of you Jesus  
Teach us how to love, teach us how to love, teach us how to love,  
Teach me, teach me how to love, teach me how to love  
Teach us... teach us how to love

The world is wide open  
The world is wide open  
The world is wide open  
It's wide open  
It's wide open  
It's wide open  
It's wide open  
Teach us how to love  
Teach us how to love  
Teach us your ways Jesus  
We want to walk in your truth

Sons and daughters of the living God  
Sons and daughters of the living God  
Sons and daughters of the living God  
All of heaven is waiting on us  
It's waiting  
It's waiting  
It's waiting  
It's waiting

Were waiting  
I hear all of creation crying, "We're waiting"  
"We're waiting"  
"We're waiting"  
"We're waiting"  
"We're waiting"

Show us how to love

Stop Telling Us... That You're The Chosen People,  
Start Living Like A Chosen People

My ways, my ways, are higher than your ways  
There higher than your ways, higher than your ways
