

# Trust Once More

Jason Upton

Somebody here is hurting  
Somebody here is broken  
Somebody here is waiting  
Somebody here is hoping

For love to come and unlock every door  
Takes you and me to open up once more  
And learn to trust again

Somebody here is searching  
Somebody's dreams were stolen  
Somebody's arms are reaching  
Somebody needs to hold them

I don't know where you come from  
I don't know where you're going  
I only know the healing  
Starts when we stop running

Peace Like a river  
Joy like a fountain  
Drinking the cup of my father  
Flying over this mountain
