Johnny, he done lost his toy He gave it to another boy
And I asked him, "Johnny why did you do that?"

He said, "That kid he asked me if he could use it?" I said, "Ye
ah, you can. If you don't lose it!"
So, he took my toy and I never saw it again.

Well I hope that you have lots of luck "Cause that was my favor
ite toy That was my toy truck
I should have told you "no", but I told you "yes".

Well I've never been the givin' kind But the more I watch this
child of mine
The more that I begin to understand. That it's easier to just s
ay "no"
But it ain't no fun to play alone And the more I say "I can't",
the less I can.

Johnny he turned seventeen And he found the truck of every youn
g man's dream
I should have told him "no" but I told him "yes".
