

You Are The One

Jason Upton

How I love You
You are the one
You are the one
How I love You
You are the one for me

I was so lost
You showed the way
'Cause You are the way
And I was so lost
You showed the way to me

I was lied to
But You told the truth
'Cause You are the truth
I was lied to
But You showed the truth to me

Oh God, how I love You
There's longing for You
You're the dream of truth
How I love you

I was dying
You gave me life
'Cause You are the life
I was dying
You gave Your life for me

How I love You
You are the one
God's risen Son
How I love You
You gave Your life for me

Hallelujah
Oh I sing out hallelujah
You are the one for me
Oh I sing out hallelujah

Hallelujah
You are the one
God's risen Son
Hallelujah
You are the one for me
