

# You Are The One

Jason Upton

How I love You  
You are the one  
You are the one  
How I love You  
You are the one for me

I was so lost  
You showed the way  
'Cause You are the way  
And I was so lost  
You showed the way to me

I was lied to  
But You told the truth  
'Cause You are the truth  
I was lied to  
But You showed the truth to me

Oh God, how I love You  
There's longing for You  
You're the dream of truth  
How I love you

I was dying  
You gave me life  
'Cause You are the life  
I was dying  
You gave Your life for me

How I love You  
You are the one  
God's risen Son  
How I love You  
You gave Your life for me

Hallelujah  
Oh I sing out hallelujah  
You are the one for me  
Oh I sing out hallelujah

Hallelujah  
You are the one  
God's risen Son  
Hallelujah  
You are the one for me
